

Hybrid 1-Day

## TAPE-IN + SEW-IN WEFT

### CERTIFICATION

**This class is designed to teach all methods of Tape-In & Sew-in Extensions to stylists. Attendees will be provided all supplies & certified in this hybrid class.**

Join us for a comprehensive Hybrid Extension Certification Class, where you'll master both Sew-In Weft and Tape-In extension techniques. This class is perfect for stylists of all experience levels who want to expand their skills in the extension category.

In this hands-on workshop, you'll learn to apply Hand-Tied Wefts, Machine-Sewn Wefts, Ideal Hybrid Weft extensions, and Tape-In extensions. You'll be introduced to advanced techniques, such as completely concealing the bead foundation during installation, ensuring seamless and natural-looking results. Additionally, you'll gain practical experience in applying, removing, and blending extensions for various hair types.

Beyond application skills, the class will cover essential marketing strategies to grow your extension business, maximize your income, and boost your career. You'll also learn about proper aftercare and maintenance to keep your clients' extensions looking their best. Whether you're new to extensions or looking to refine your expertise, this class will provide you with the tools and knowledge to succeed in the ever-evolving world of hair extensions.
